

Grooving 4 God

A youth hip-hop project initiated by Joel Tan, CDFM
Youth Network Head

G4G (Grooving For God) Project is a collaborative effort between the Urban Groove Dance Network (Malaysia's premier street dance academy) and CDFM to establish, preserve and develop street dance styles in Malaysia as a recognized form of art, which is positive and unique, and also to harness its uniqueness for youth ministries as well as community building.

Objectives of the G4G Project

The G4G project is built on a vision to use street dance to reach out to the youths by teaching, encouraging, training and motivating them for community service, outreach and mission. At the same time to show that they can proclaim Jesus through dance. Here, UGDN and CDFM are working hand in hand to re-claim street dance from the world, put Jesus back in the center and show the world that we can groove for God.
