The Christian Dance Fellowship of Malaysia (CDFM) is pleased to invite you to a 3-Day "Grooving for God" – G4G Dance Fest & Conference on October 12-14, 2007 held at Hotel Singgahsana, Petaling Jaya. The theme for the conference is "Making a Difference" (*Ezekiel 44:23*). This year, we are focusing on reaching out to the younger generation by redeeming the youth culture and use that which is good, acceptable and for the glory of God.

Main Objectives:

- To understand all forms of dance can be redeemed for the work of reconciliation and transformation, particularly using Hip Hop in making a distinctive difference and impacting the youth & world around us.

We praise God that CDFM is blessed with many great opportunities to offer our members and dancers to explore the creative arts in various forms and cultures.
