Dear Pastor, Church Leaders, Members and Friends,

6th INTERNATIONAL CHRISTIAN CREATIVE ARTS CONFERENCE

Selamat Datang! Welcome from the Christian Dance Fellowship of Malaysia.

We hereby would like to invite you to the forth-coming 6th International Christian Dance Fellowship (ICDF) Conference 2006 to be held on July 10-16 at the state-of-the-art Genting International Convention Centre, Genting Highlands, Kuala Lumpur, Malaysia. The theme for the conference is "Into All the World" - Matthew 18:20

Conference Objectives

- To present a biblical worldview of the arts related to worship, ministry and mission
- To celebrate life, hope and beauty through diversity of multi-genres, cross-cultural evangelism and international exchange of ideas relevant to a fast-changing world.
- To develop a unity of artistic expression by reclaiming the arts for the glory of God and His purpose.
- To provide a globe networking, encouragement, vision and fellowship for the body of Christ involved in the creative arts and dance ministries.

The previous 5 conferences were successfully held in Israel, UK, South Africa, Australia and USA respectively. This is the first time that ICDF is holding their conference in the region of Asia. In particular, Malaysia which is socially, geographically, politically and economically stable. Our rich multi-racial community and culture, fabulous food and good currency exchange has been a major tourist attraction.

An exciting international program is in store for all participants. There will be live performances plus a variety of educational activities such as worship celebrations, concerts, workshops, arts exhibition and an outreach dance project titled The Dance Village. These will address creative arts in different ways and explore its diverse roles, elements and forms, and cater to the interests of the participants, performers, choreographers, academics, enthusiasts, audiences and community beyond the church walls.

Many International faculty, teachers and delegates from approximately 35 to 45 nations will be attending the conference. Thus, we hope to draw an attractive contingent from your own nation and neighboring Asian countries. You will find that our conference package is very affordable. The closing date is **June 16**.

Kindly assist us to encourage your church leaders, members, creative arts team, musicians, dancers and friends to come as we look forward to welcome all of you to Malaysia.

Lastly, we want to thank you for your prayer and support, trusting the Lord and believing in us. You mean so much to us.

Wishing you a Blessed New Year!

Together we serve,

REV KAREN LIEW
